 - Short Quiz over the material
- Part 4 – Reading Assignment of Coaches Manual covering:
 - Chapters 2,11 & 20
 - Short Quiz over the material

WBTF TECHNICAL FOUNDATION CERTIFICATION PROGRAM MODULE 2

MODULE 2 is an online virtual workshop course that will be offered in March 2023 in three, 4 hour sessions. Participants can select a morning or evening option for all 3 three sessions listed below.

FOR COACHES:

The Technical Foundation Certification Program is an optional course that provides a WBTF Level I Coach Certification for coaches. **It is not required.**

FOR JUDGES:

BEGINNING SEPTEMBER 2022: All judges beginning WBTF judge certification training are required to take this course prior to taking the WBTF judges master certification course.

All currently certified WBTF master judges must also complete both the Module 1 and Module 2 course by **January 2025** and will receive certification credit for doing so.

YOU MUST COMPLETE THE MODULE 1 TO BE ELIGIBLE TO PARTICIPATE IN THE MODULE 2 VIRTUAL WORKSHOP.

THE REQUIRED SYLLABUS

The required syllabus for this course is the Technical Foundation Certification Training materials.

The materials are a required purchase in order to pass and receive WBTF Level I Coaches' Certification. The required training materials are now available for purchase as of October 10th.

Technical Foundation Certification Training Materials package is now available as of October 10th for purchase directly in Moodle for \$75. This package includes the Coaches Level I Training Manual, eleven instructional videos, the Standard Solo music, and two promotional videos. This package is an optional purchase for Certified Master Judges and Coach Level I Certified Clinicians. Once purchased, this is available to you to download. See the Moodle Site Home page to purchase the materials.

The Cost: \$75 USD for the Technical Foundation Certification Training materials, which include updated videos and valuable resources (*this is an optional purchase for certified master judges*).

Part of the required training materials was in the original Coaches Level I Training Program package. Updated videos and new additions have been added. For those who had previously purchased this package: the new updates and additions will be made available to you to download any updated parts of your original purchase. You will receive an email with instructions to complete this download. This will only be available to you until December 31, 2022.

The Technical Foundation Certification Training Materials include the following:

- 01 Complete WBTF Coaches Level I Manual Updated September 2015.pdf
